

## ENTRANT VEHICLE & SCRUTINEERING GUIDE

### MOTORVATION IS SANCTIONED BY AUSTRALIAN NATIONAL DRAG RACING ASSOCIATION

All competition and non-competition vehicle activity at Motorvation is governed by Australian National Drag Racing Association (ANDRA) Regulations and Motorvation Event Supplementary Regulations. All Entrants must comply with the regulations at all times.

### WHO CAN ENTER?

All entrants must hold a current, unrestricted, unsuspended driver's licence. We check these too, so be honest.

Learner drivers are not permitted to be entrants or drive any vehicle during the event.

Drivers with provisional licenses are permitted to enter, Refer to the Motorvation Entrant Terms and Conditions for further information.

Entrants under the age of 18 years must have a parent or guardian's consent to participate.

Motorvation reserves the right to exclude any vehicle that fails to meet minimum entry requirements. These standards include but are not limited to vehicles found to be unsafe, of poor-quality construction, or vehicles featuring objectionable elements or themes.

### VEHICLE REQUIREMENTS

Motorvation entrants are renowned for having the toughest highly modified cars in the country. They look, sound and go like nothing the factory would build today and their owners take ultimate pride in them.

Vehicle requirements include:

1. Paint and body modifications
2. Engine performance upgrades and engine bay presentation
3. Custom fabrication
4. Wheel, suspension and brake upgrades
5. Custom interior, including aftermarket car audio components

Have a sweet whip 30yrs or older and in original condition? You qualify as well!

### SCRUTINEERING MINIMUM REQUIREMENTS

Scrutineering is where the judging process begins. Before all entrants take part, our crew will check your car for safety and any competition-based requirements.

These checks include;

- **Valid drivers license** – must be physically present, current and valid.
- **Current vehicle registration** – where the numberplate matches the VIN, or purchase of event permit
- **Fire extinguisher** – for burnout vehicles a minimum of a 1kg charged dry chemical extinguisher securely mounted within the vehicle cabin. This is also recommended for all vehicles.
- **Working lights** – head, tail, brake and indicators.

- **Wheel nuts on all wheel studs** – wheel weights must be removed for any competition activity.
- **Wheel guards** – if wheels protrude outside the body of the car (generally in a hot rod style vehicle), the car must be fitted with wheel guards.
- **Treaded tyres** – no visible damage, canvas or flat spots, all tyres must be in a serviceable condition.
- **Functioning brakes** – Functioning brakes must be fitted.
- **Seatbelts** – Fitted correctly and functioning for all seats.
- **Seats** – secured and functioning with working seatbelts.
- **Tail shaft loop** – must be fitted for any drag racing activities that require it, recommended for burnout entrants.
- **Fitted exhaust** – a continuous system that extend past the last vehicle door or to the rear axle line, any exhaust protruding on the side of the vehicle must point down. Open headers are permitted during burnout competition only.
- **Complete firewalls** – isolating driver from engine compartment and fuel tank/cell. Includes station wagons and vans with fuel cells in the back of the vehicle.
- **Fuel tanks and cells** – tanks and cells must be separated from the cabin, of purpose-built construction, fixed securely with correct brackets i.e., no ratchet straps or temporary fixtures.
- **Fuel lines and fillers** – must be designed for automotive use and appropriately rated for the fuel being used.
- **Secure battery** – must be isolated from the drivers compartment.
- **Functioning inhibitor switch for automatics** – the vehicle must not be able to start in gear.
- **Blower belt guard** – for all blowers protruding from a bonnet.
- **Bonnet**– must be fitted for all event activities, exception made for during burnout competition. Belt guards must be fitted to all blowers, whenever bonnet is removed for competition.

## RESTRICTED ENTRY

Restricted access may be necessary for some vehicles which do not fully comply with the event regulations, this may include limited activities, movements, or driving times at the event. Examples of this include:

- Vehicles without bonnets or exhausts
- Promotional vehicles
- Vehicles operating specialised fuels

## SIGNAGE, BRANDING, AND NUMBERPLATES

Vehicles displaying excessive sponsor branding, advertising, or marketing material are considered commercial participants and the entry may be rejected or additional fees may be charged upon application approval.

Entrants will be requested to remove objectionable elements or themes or may be denied entry, this can include but not limited to:

- Stickers
- Number plates
- Paintwork

## DRIVER AND PASSENGER SEATING RULE FOR CRUISING

All vehicle seats must be fixed in place to an automotive industry acceptable standard, guidance information can be found in *the Vehicle Standards Bulletin 14 (VSB14)*.

All occupants must be seated in a designated seat with an approved seatbelt securely fitted whilst the vehicle is in motion.
